QUALITY MADE IN CANADA

Teckelklub's dog apparel and lifestyle products are 100% handmade in Canada. Our Company, located in Vancouver Canada, prides itself on skilled craftspeople who design and manufacture each product using the highest quality materials available in the market.

Our commitment to our community and quality is guaranteed by our made in Canada label. In 1998 Teckelklub emerged as the original dog apparel company. Today, we proudly deliver our high quality products to dogs and their owners around the globe.

Whether you and your dog are first time Teckelklub owners, or loyal enthusiasts, we have the dog lifestyle goods to ensure your dog thrives wherever you live. Our Canadian manufacturing quality has lasting style. Proudly supporting Canada and North America for our collective future. Made to stand the test of time.

THE TRENCH

Teckelklub's original dog jacket designed in 1998, our classic Trench has great functionality and styling combined to deliver on all fronts. The Trench is 100% waterproof, with fleece lined warmth and durable, breathable fabric. It has easy on and off design suited to fit with high comfort on all dog breeds. A new twist on The Trench is this season's Pearl. A luminous glacier white with high visibility 3M® reflective collar & body features and complete with reflective piping all around for outstanding year-round visibility.

The Trench is available in a wide range of colors including the popular Mont Blanc and Bordeaux which have contrasting Coal Black collars. This European styled jacket is available in a wide range of sizes from 9" [23cm] through 30" [76cm] all trimmed with 3M® silver reflective piping for high visibility. Machine washable for easy cleaning and lined with Charcoal Grey anti-pill high quality fleece.

COLORS Pearl, Mont Blanc, Bordeaux, Coal Black, Cocoa Brown, Royal Blue, Apple, Green, Bubblegum Pink, Guard Red, Foxy Orange

New to The Fuzzie collection, The Rover Plaid is available in Ivory, Ruby and Pistachio with Coal Black collar. The Teckelklub Fuzzie is the original fleece dog sweater in the market which provides great flexibility to be worn alone or layered under any Teckelklub jacket.

This functional favorite is available in an eye-catching range of colors that will suit the style of any dog and owner. The Fuzzie is an extremely popular and versatile warmth solution that fits all dog breeds and sizes. As cozy as your favorite sweater, The Fuzzie provides just the right amount of warmth for outdoors and indoors warmth for young and mature dogs. The Fuzzie is high quality 420 weight anti-pill Polyester fleece with reflective features for high visibility.

The Fuzzie is sized in 2" increments for an ideal fit.
SIZES 6" [15cm] through 28" [71cm]

THE SUMMIT SUPERCOAT™

Our NEW beautifully crafted Summit Supercoat is equal parts functionality and quality to meet the needs of all dogs. This jacket is reversible with a high performance ripstop quilted side for warmth + style and a waterproof side for extreme weather days. It has superior visibility features including a 100% reflective collar and high quality 3M® reflective piping around the harness opening on both sides of the reversible jacket. This year-round jacket is great for all weather protection. The Summit jacket is easily layered over the Teckelklub Fuzzie for added warmth. An ideal jacket with modern style, it offers waterproof, breathable protection with a dual function zipper opening so you can access your dog's harness for easy leash attachment. The jacket is designed to keep the dog's core body warm and dry at all times. The Summit jacket is durable, waterproof and trimmed all around with 3M® silver reflective piping for high visibility. Cold-water wash or damp wipe to clean; hang to dry.

Our superbly-crafted new tri-climate jacket delivers on functional weather protection and breathability to meet the needs of all dogs. Our K9|essential Supercoat is a softshell weather resistant layer with a modern style. It offers the highest quality waterproof, air permeable breathable protection to keep dogs dry both from within and from out while blocking rain, snow and wind. The Supercoat is designed to be worn alone providing a smooth warm fabric for a high warmth compared to weight ratio.

Softshell stretch-woven fabric offers excellent insulating protection plus full chest coverage, without overheating. The Supercoat is all trimmed with 3M® silver reflective piping for high visibility.

THE **K9|exo**® CHEST HARNESS

Comfort, safety & style combine to make our K9|exo® Chest Harness. The chest panel, crafted from a double layer Fuzzie® fleece, virtually eliminates the ability for your dog to back out. The K9|exo® features easy on, easy off technology with no uncomfortable webbing or buckles and no pulling on the dog's neck. Simple to fasten and wear alone, or on top of The Trench or any of Teckelklub's apparel products, The K9|exo® is made using 2" wide Velcro® and 3M® reflective features.

The Highland is Teckelklub's exclusive design patented to provide increased chest coverage with maximum water and mud protection. Styled using the tried and true pattern of our Trench jacket, The Highland features a 100% waterproof outer layer and an inner layer fleece for warmth, and breathability. Featuring a full coverage chest band, a waterproof leash and harness opening, and our easy to wear comfort this jacket has stand alone performance in the market. Available in sizes including XXS 9" [23cm] through XL 20" [51cm] all trimmed with 3M® reflective piping for high visibility.

THE SLICKER

Teckelklub's Slicker collection features a reflective back strip and 'D' ring for easy on/off leash attachment. The Slicker is tried and true as a lightweight solution to cover all rainy seasons as it is not fleece lined. 100% waterproof, this jacket is lined with grey poly-cotton and high visibility 3M brand reflective piping trim all around. Try the flexibility of layering The Fuzzie under The Slicker to guard against fickle weather days.

THE SOHO BURROW BED

Let your dog lounge in the lap of luxury and burrow to their heart's content. Our Burrow Bed is perfect in any setting - home, office or travel. The innovative two-in-one design works as a burrow bed and a double thick floor blanket. This bed will suit any dog that likes to tunnel underneath and through blankets until they find the perfect position. The SoHo is high quality fleece or thick faux fur and extends to create a double thick floor blanket 48" [120cm] long.

THE PETPOD[®]

A brand new design, The PetPod functions as a burrow bed for dogs at home, or on the go anywhere, anytime. The design is a super thick blanket comprised of 4 layers of fleece to allow dogs to comfortably move inside and make it their own. Made of the same quality fleece as The Fuzzie, this bed provides year-round warmth and durability. The PetPod is currently available in our new Ivory Rover Plaid.

Our versatile thick lounger is designed for comfort anywhere, all the time. The design is an ideal travel lounger for dogs to protect them in all environments including their kennel, in the car, and in the house to protect against drafts or cold floors. Machine washable, made with plush filling and layers of anti-pill fleece and double stitched for durability. The CrateMate is as stylish as it is functional with two reversible colors.

THE MODERNO BONE BLANKET

The Moderno Bone Blanket is the perfect comfort companion for your dog. They will feel at home anywhere with this stylish, thick fleece blanket finished with a striking old-fashioned blanket stitch. The Moderno Bone Blanket is extremely durable and made from anti-pill fleece for everyday use. Makes an ideal gift for any dog.
